Dear Parent / Carers

I would like to take this opportunity to thank parent / carers for all their ongoing support with helping the school implement the schools uniform policy. It is so nice to see students looking smart and taking pride in their appearance.

As we approach the summer holidays and as parents start to think about purchasing new uniform for the new academic year. I would like to take this opportunity to clarify with yourselves what the school policy is around uniform.

When students wear the school uniform it brings about a sense of belonging and pride in both the school and themselves. This ultimately affects behaviour across the school and helps to create a climate which is conducive for learning.
