**BARLBY
HIGH
SCHOOL**

31st December 2020

Dear Parent/Carer,

I hope that you had an enjoyable Christmas and that you are well.

I'm sure you'll have listened to the announcements made by the government last night. For most students, nothing has changed for the week beginning 5th January since my letter at the end of term. However, Year 11 students have now been asked to remain at home until 11th January and will access remote learning in the same way as other year groups. Key worker children will be invited to come into school as normal. Vulnerable students and those with an EHCP are expected to be in school and those in Year 11 will be contacted by email on Monday.

For clarity:

Week beginning 5th January - Key worker, vulnerable and students with EHCP attend school

Week beginning 11th January - Key worker, vulnerable, students with EHCP and Year 11 students attend school

Week beginning 18th January - All students in school

In terms of planning for lateral flow testing, we are working closely with the local authority to organise and administer tests for our pupils and staff. I will write to you with further information when I'm in a position to do so.

I wish you all the very best for 2021.

Miss J Caddell
