4th January 2021

Dear Parent/Carer of Year 11,

Further to my letter on 31st December;

Year 11 students have now been asked to remain at home until 11th January and will access remote learning in the same way as other year groups. Key worker children have now been invited to come into school as normal, if you are a keyworker and have not yet advised us please email keyworker@bhs.hlt.academy

Vulnerable students and those with an EHCP are expected to be in school and all have been contacted.

If you have not yet completed the consent for remote learning, this has been attached and this is now urgent to enable students to take part in remote learning.

The day will start at normal time, 8.50am for those who are in school. Students at home should log on to tutor time at 9am.

I have attached the letter sent earlier in the year by Mrs Lee regarding the use of GoogleSuite. However, we will work differently during this week as all students will be expected to log into their Google classroom for each lesson, following their normal timetable. There will be one change to the timing; lessons will begin 15 minutes later than normal to allow staff movement time, to facilitate logging on to computers and to give students a break from their screens between sessions. Individual teachers will then work with their class for 45 minutes - this will include setting of independent work.

For your reference, the timetable of the school day can be found at the end of this letter.

Some of you may have concerns about access to IT, we have a database with information regarding students who might struggle and will contact these separately before Tuesday 5th January. If you feel that you will struggle with access to IT and you have not heard from us by midday on Monday 4th January, please let us know by contacting m.harvey@bhs.hlt.academy

If you are in receipt of free school meals, you will have received a separate email regarding arrangements.
