

Official Information for Candidates

Summer 2021 Results, Appeals and Certificates

Teacher Assessed Grades

Barlby High School has determined grades in accordance with the JCQ guidance¹ and has submitted these grades to the relevant awarding organisation by the required deadline.

To support your understanding, please refer to <https://www.gov.uk/government/publications/student-guide-to-awarding-summer-2021> which tells you how you will get your qualifications in summer 2021 and where you can get more information.

Results

On candidate statements of results (results slips) and certificates, grades will be reported in the same way as in previous years.

Results will be issued on results day in August as follows:

Date	Qualification type
12/08/2021	GCSE and other Level 1/2 qualifications

Arrangements for results day

To cover all eventualities (and minimise close contacts and the potential for self-isolation) we are going to stagger when students collect their results on Thursday August 12th. We are asking that students come into school one form group at a time in the following time slots.

09.30 am Mr Sladen's form

10.00 am Miss Rafton's form

10.30 am Mrs Naylor's form

11.00 am Mrs Henderson's form

All students will need to enter school through the main entrance and we kindly ask that parents wait in the school car park. We will operate a one way system and students will leave via the service road to the side of school. At the minute, face coverings will not be required. Members of SLT, tutors and the support staff will be available as well as well as staff from both York and Selby college to discuss results with.

Concerns about your results

When you receive your results, if you think that a grade is wrong, your first step should be to speak to SLT available on the day or Mrs Chambers the Exams Officer.

Further details of the arrangements for appeals are provided below.

Certificates

Certificates, when received from the awarding organisations, will be issued to you. We are hoping this will be at celebration evening depending on government guidance at the time. Information for this will follow in September.

The arrangements for appeals

Section 5.4 of JCQ Appeals Guidance Summer 2021 (A guide to appeals processes – Summer 2021) states:

To decide whether to request a review, students will need access to certain information before results day, or on results day, if it has not already been made available to them. This must include:

- a. the centre policy
- b. the sources of evidence used to determine the student's grade, along with the marks/grades associated with them
- c. details of any variations in evidence used based on disruption to what that student was taught
- d. details of any special circumstances that have been considered in determining their grade, e.g. access arrangements/reasonable adjustments or mitigating circumstances such as illness

There are two stages to the appeals process:

- Stage 1 - centre review
- Stage 2 - appeal to the awarding organisation

Barlby High School will support its students through the centre review and awarding organisation appeals process.

The information below describes the arrangements in place at Barlby High School for conducting a centre review and (where applicable) submitting an appeal to the awarding organisation following a centre review.

Stage 1 – Centre review

- If a student does not consider they have been issued with the correct grade, they can submit a request to examenquiries@bhs.hlt.academy – this will be picked up by Miss Caddell/Mrs Wallace/Mrs Chambers (the appeals team) to check if an administrative or procedural error has occurred
- The appeals team will email the student/candidate, a copy of the interactive *JCQ Student Request Form for Centre Reviews and Appeals* as an attachment
- On receipt, the student should, open the attachment, read the important instructions, fully complete *section A. Student request* of the *Stage one – centre review* form including electronic signature and date. The form should be saved and returned as an email attachment to the examenquiries@bhs.hlt.academy email.
- The outcome of the centre review may result in the student's grade remaining the **same**, being **lowered** or **raised**
- On completion of the review the appeals team will, complete *section B. Centre review outcome* of the form and share with the student as a record of the outcome, in sufficient time prior to the relevant appeal to awarding organisation deadline.
- If an administrative or procedural error is found, the appeals team will submit a request to the awarding organisation to correct the error and amend the grade without the need to submit an appeal to the awarding organisation

Stage 2 – Appeal to the awarding organisation

- An appeal to the awarding organisation will only be submitted if the first stage, centre review, has been completed and the outcome of the first stage has been issued to the student
- The awarding organisation will not be able to consider an appeal that is based solely on differences of opinion - if the student wants to improve their grade they may want to consider entering for the autumn exam series
- If the student believes there is still an error following the centre review, or if the awarding organisation has made an administrative error, or the student considers that the grade awarded was an unreasonable exercise of academic judgement, the student can submit a request to [insert either centre name/staff name/staff title] to proceed with an appeal to the awarding organisation on their behalf
- To proceed, the student must, complete the *Stage two – appeal to awarding organisation* section of the form, including electronic signature and date. The form should be saved and returned as an email attachment.

- The appeals team will then submit the appeal on the student's behalf according to the requirements of the awarding organisation to which it is being submitted
- The awarding organisation will determine the grade at appeal and the outcome will be final
- The outcome of the appeal may result in the grade remaining the **same**, being **lowered** or **raised**
- There is no further opportunity to appeal the outcome to the awarding organisation
- The awarding organisation's appeal outcome letter will be provided, by post to the student by the appeals team, without delay/as soon as reasonably practical after the outcome letter from the awarding organisation is received in the centre.
- Should the student still remain concerned their grade was incorrect, they may be able to apply for a procedural review
- The appeal outcome letter will include the next appropriate steps, where applicable, to apply for a procedural review to the Exam Procedures Review Service (EPRS)

Note - Once a finding has been made **you cannot withdraw your request for a centre review or appeal**. If your grade has been lowered, you will not be able to revert back to the original grade you received on results day. For more information please refer to the Department for Education's blog

Deadlines to submit a request

Priority appeal² (this is Not Applicable to GCSE results but we do need to inform you of these dates)

16 August 2021 – deadline for a student to request a Stage 1 - centre review

23 August 2021 – deadline for a student to request a Stage 2 – appeal to awarding organisation

Non-priority appeal

3 September 2021 - deadline for a student to request a Stage 1 - centre review

17 September 2021– deadline for a student to request a Stage 2 – appeal to awarding organisation

² A priority appeal **is only for** students applying to higher education who did not attain their firm choice (i.e. the offer they accepted as their first choice) and wish to appeal an A level or other Level 3 qualification result. You should inform your intended higher education provider that you have requested a centre review or appeal. You will need to provide in the request form(s) your UCAS personal ID code which is included in all correspondence from UCAS. This is needed to confirm that a student's place is dependent on the outcome of the appeal. Priority appeals that aren't submitted to the awarding organisation by 23 August 2021 will still be treated as a priority but they may not be completed in time for those with a higher education place dependent on the outcome of the appeal.
