Dear Parent/Carer,

As you know students have had a very strange couple of years and have coped tremendously well under the circumstances. They are now in a position where they have completed all of their internal assessments, staff have been through the folders of evidence with each student, students know what evidence each grade is based on ensuring it is a fair and true representation of their ability within the subject and finally those teacher assessed grades are now with the exam boards.

We have left it right until the end of term to write to you with arrangements for results day simply because, as I'm sure you are all too aware, guidelines can change so quickly. To cover all eventualities (and minimise close contacts and the potential for self-isolation) we are going to stagger when students collect their results on Thursday August 12th. We are asking that students come into school one form group at a time in the following time slots.

09.30 am Mr Sladen's form

10.00 am Miss Rafton's form

10.30 am Mrs Naylor's form

11.00 am Mrs Henderson's form

All students will need to enter school through the main entrance and we kindly ask that parents wait in the school car park. We will operate a one way system and students will leave via the service road to the side of school. At the minute, face coverings will not be required but if this was to change we will let you know.

Below is a link to a document which fully explains the procedures that have already taken place but also the appeals process as well. Appeals are different this year based on the way grades have been determined. You can find the appeals process and the below JCQ document in the Year 11 Exam Information section, under students, on the school website.
