Dear Parent/Carer,

### Curriculum Overview – November to Christmas 2021

Prior to Covid-19 and the multiple lockdowns and curriculum changes, we had begun to send out half termly curriculum overviews for parents. This was aimed at giving you guidance on what your child/children would be covering in the half term ahead and in some cases, places where help can be sought out (highlighted in blue). Whilst the national picture is still ever changing, we feel we are now able to re-establish this regular update which will take into account potential lost learning and how students will catch up. There is also an overview for each year group in the curriculum tab under parents/carers on the website which you can find via this link <https://bhs.hslt.academy/curriculum>. The overview that is relevant to your child, for the half term ahead, is attached to this letter.

Class teachers and Faculty Leads are always happy to discuss curriculum content and areas to get additional support so please do not hesitate to contact staff if you do have any questions.

Yours sincerely,

Mrs K Wallace  
Vice Principal: Curriculum and Standards
