

# Funded Training Opportunity

Hope Sentamu Learning Trust are now working with The Skills Network to offer learners access to level 1 and level 2 qualifications via distance learning. These qualifications are fully funded by the government's Adult Education Budget, meaning you can study them at no cost.

The Skills Network are a leading distance learning provider who have partnered with a number of leading awarding organisations, including NCFE, CACHE and TQUK, to develop outstanding learning resources that meet a diverse range of learning needs.

Through distance learning, these courses can be studied either online or via paper resources with no need to attend any classes, you will have your own designated learner support advisor to guide you through your course, and you will receive unlimited access to a subject specialist Tutor who will support you with your learning and assessment questions.

**PLEASE NOTE:** To qualify for funding you must be aged 19 or over, reside in England and have been living in the EU for at least the last three years. You cannot enrol onto a course that you have already completed.

## Benefits of our courses:

- Increase your knowledge and understanding of a range of subjects
- Develop skills that can benefit both your career and your day-to-day life
- Gain a nationally recognised and accredited level 1 or 2 qualification
