Statement of Intent

The Hope Sentamu Learning Trust believes that, in order to facilitate teaching and learning, acceptable behaviour must be demonstrated in all aspects of school life. The Trust is committed to:

- Promoting positive and acceptable behaviour.
- Promoting self-esteem, self-discipline, proper regard for authority and positive relationships based on mutual respect.
- Ensuring equality and fair treatment for all.
- Promote early intervention.
- Praising and rewarding positive and acceptable behaviour.
- Challenging unacceptable behaviours.
- Providing a safe environment free from disruption, violence, discrimination, bullying and any form of harassment.
- Developing positive relationships with parents/carers.
- Developing positive relationships with pupils.
- Promoting a culture of praise and encouragement in which all pupils can thrive.

The Trust acknowledges that behaviour can sometimes be a result of educational needs, mental health concerns, or other needs and vulnerabilities and will address these needs via an individualised graduated response.

To help reduce the likelihood of behavioural issues related to social, emotional or mental health (SEMH), the Trust aims to create a safe and calm environment in which positive mental health and wellbeing are promoted and pupils are taught to be resilient. The Trust aims to promote resilience as part of a whole-school approach using the following methods:

- **Culture, ethos and environment** - the health and wellbeing of pupils and staff is promoted through the informal curriculum, including leadership practice, policies, values and attitudes, alongside the social and physical environment
- **Teaching** - the curriculum is used to develop pupils' knowledge about health and wellbeing
- **Community engagement** - the schools/academies in the Trust proactively engage with parents/carers, outside agencies and the wider community to promote consistent support for pupils' health and wellbeing.

Where vulnerable pupils or groups are identified, provision will be made to support and promote their positive mental health. The Trust's Student Mental Health and Wellbeing Policy and Special Educational Needs and Disability (SEND) Policy outline the specific procedures that will be used to assess these pupils for any SEMH-related difficulties that could affect their behaviour.

All staff have the authority and responsibility to consistently apply the Trust's Behaviour Policy and the local procedures. This includes rewarding pupils, or where necessary putting sanctions in place for those who fail to adhere to the school/academy rules, this can be both inside and outside of the school.

4.1. Promoting good behaviour

The Trust promotes positive behaviours through recognising, praising and rewarding positive behaviours. Each school/academy should ensure that:

- They build and maintain positive relationships with pupils, built on respect.
- Pupils' achievements are recognised within, but also beyond the classroom environment.
- Positive learning environments are provided, where children feel safe and confident and are able to flourish.

4.2. Rewards

As a Trust we promote positive behaviour by recognising and promoting good behaviours, attitudes and achievements that meet our values and expectations.

The Headteacher/Principal at each school/academy is responsible for setting the arrangements for recognising positive behaviours, attitudes and achievements, based on the principles outlined in this policy. This is done through considering the age, maturity and understanding of the pupils at the school/academy. These systems are shared with pupils, staff and parents/carers to ensure a consistent and collaborative approach.

Please see Appendix A, item 4.2 for localised school based rewards system.

4.3. Sanctions

Staff can apply and impose reasonable disciplinary sanctions in response to inappropriate behaviours, in line with the local school/academy Behaviour Procedures. Reasonable penalties may include: confiscation,

retention or disposal of a pupil's property, in agreement with parents/carers (where appropriate), and/or detentions, during break, lunch or after school.

Sanctions will be proportionate to the behaviours displayed, in accordance with the school/academy systems and procedures, and taking into account the pupil's age, SEND needs or any religious requirements.

Detentions

- Teachers have a legal power to put pupils (under the age of 18) in detention, but will act reasonably and ensure the pupils' safety is not compromised.
- If a lunchtime detention is used, staff will allow reasonable time for the pupil to eat, drink and use the toilet.
- Consent from parents/carers is not required for detentions, but the school/academy will endeavour to inform parents/carers of the detention.
- There is no requirement for notice to be given to parents/carers.

Please see Appendix A, item 4.3 for localised school based Sanctions.

5. Classroom Management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom. Well-managed classrooms are paramount to preventing disruptive and unacceptable behaviour.

5.1. Staff will:

- Create and maintain a stimulating environment that encourages pupils to be engaged.
- Display the pupil code of conduct within the classroom.
- Develop a positive relationship with pupils, which may include:
 - Greeting pupils in the morning/at the start of lessons
 - Establishing clear routines
 - Communicating expectations of behaviour in ways other than verbally
 - Highlighting and promoting positive behaviour
 - Concluding the day positively and starting the next day afresh
 - Each lesson is a fresh start
 - Having a plan for dealing with low-level disruption
 - Using positive reinforcement.

Please see Appendix A, item 5.1 for localised school based procedures.

6. Pupil Support

6.1. The Trust recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

- 6.2. The school's/academy's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met. Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs. When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

Please see Appendix A, item 6.2 for detail on additional school based support for pupils.

7. Safeguarding

- 7.1. The Trust recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection. We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Where this may be the case, schools/academies will follow their Safeguarding and Child Protection policies and procedures.

8. Sexual Abuse and Discrimination

- 8.1. The Trust prohibits all forms of sexual abuse and discrimination, including sexual harassment, gender-based bullying and sexual violence. The Trust's procedures for handling child-on-child sexual abuse and discrimination are detailed in the Child-on-Child Abuse Policy.
- 8.2. The Trust will work with all schools/academies to ensure that all incidents of sexual harassment and/or violence is met with a suitable response, and never ignored. Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.
- 8.3. The response to any incidents of sexual abuse and/or discrimination will be:
- Proportionate
 - Considered
 - Supportive
 - Decided on a case-by-case basis
- 8.4. The schools within the Trust have procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:
- Responding to a report
 - Carrying out risk assessments, where appropriate, to help determine whether to:
 - Manage the incident internally
 - Refer to early help
 - Refer to children's social care
 - Report to the Police

Please see Appendix A, item 8.4 for details on additional school procedures.

9. Smoking and Controlled Substances, including Vaping

- 9.1. In accordance with part 1 of the Health Act 2006, all schools/academies in the Trust are smoke-free and vape free environments. Parents/carers, visitors, staff and pupils are instructed not to smoke or vape on school/academy grounds. Pupils are not permitted to bring smoking materials, vaping materials, or nicotine products into the school/academy.
- 9.2. The Trust has a zero-tolerance policy on illegal drugs, legal highs and other controlled substances. Where incidents with pupils related to controlled substances occur, the school/academy will follow the procedures outlined in the local Behaviour Policy/Procedures and Child Protection and Safeguarding Policy.

10. Prohibited Items, Searching Pupils and Confiscation

- 10.1. Headteachers/Principals and staff authorised by them have a statutory power to search pupils or their possessions, without consent, where they have reasonable grounds for suspecting that the pupil may have a prohibited item. This must be undertaken by two members of staff who have been trained and at least one colleague must be of the same gender as the pupil to be searched. Best practice is for both colleagues to be of the same gender as the pupil being searched. The prohibited items are:

The model list below was created using the DfE's '[Searching, screening and confiscation](#)' guidance. To search for any items not listed here, staff will require the consent of the pupil being searched.

- Knives or weapons.
- Alcohol.
- Illegal drugs.
- Stolen items.
- Tobacco and cigarette papers and vaping equipment
- Fireworks.
- Pornographic images.
- Any article that the member of staff reasonably suspects has been, or is likely to be, used:
 - To commit an offence; or
 - To cause personal injury to any person, including the pupil themselves; or
 - To damage the property of any person, including the pupil themselves.

- 10.2. Pupils may refuse to participate due to some of the following reasons

- They are in possession of a prohibited item;
- They do not understand the instruction;
- They are unaware of what a search may involve; or
- They have had a previous distressing experience of being searched.

- 10.3. Schools must keep records of the search, including the reason for the search, who conducted the search and the outcome. [How to Searches Guidance](#)

- 10.4. Schools should reinforce the whole-school approach by building and maintaining positive relationships with parents. Parents should always be informed of any search for a prohibited item and the outcome of the search as soon as is practicable. A member of staff should inform the parents of what, if anything, has been confiscated and the resulting action the school has taken, including any sanctions applied.”
- 10.5. Schools must analyse the data generated by this record keeping and identify if “searching is falling disproportionately on any group or groups [and] should consider whether any actions should be taken to prevent this”.

10.6. Strip Searches

The police must undertake this role:-

When police are called into the school if this is required, this doesn't change their level of responsibility to the pupil. *“While the decision to undertake the strip search itself and its conduct are police matters, school staff retain a duty of care to the pupil(s) involved and should advocate for pupil wellbeing at all times”. Before calling police into school, staff should assess and balance the risk of a potential strip search on the pupil's mental and physical wellbeing and the risk of not recovering the suspected item.”*

The role of an appropriate adult:-

“Appropriate adult” describes the role of the person who is designated to provide support to people under 18 who are being detained or voluntarily interviewed by police. Except for in “cases of urgency where there is risk of serious harm to the pupil or others”, a strip search must be undertaken with “at least two appropriate adults present other than the pupil, of the same gender. The guidance also includes the recommendation that if the pupil's parent/carer wishes to be the appropriate adult then “the school should facilitate this where possible”. School staff can take the role of appropriate adult: “Examples of an appropriate adult include, but are not limited to, the parent/carer, relative, social worker, teacher or, if the person is in the care of a local authority or voluntary organisation, a person representing that authority or organisation.”

11. Behaviour Off School Site

- 11.1. Sanctions may be applied where a pupil has misbehaved off-site when representing the school/academy. This means misbehaviour when the pupil is:
- Taking part in any school-organised or school-related activity (e.g. school trips)
 - Travelling to or from school
 - Wearing school uniform
 - In any other way identifiable as a pupil of our school/academy
 - Sanctions may also be applied where a pupil has misbehaved off-site at any time, whether or not the conditions above apply, if the misbehaviour:
 - Could have repercussions for the orderly running of the school/academy
 - Poses a threat to another pupil or member of the public
 - Could adversely affect the reputation of the school/academy

12. Power to Use Reasonable Force

- 12.1 Members of staff have the power to use reasonable force to prevent pupils committing an offence, injuring themselves or others, or damaging property, and to maintain good order and discipline in the classroom. [W RECORD OF THE USE OF REASONABLE FORCE.docx](#)
- 12.2 Headteachers/Principals and authorised school staff may also use such force as is reasonable given the circumstances when conducting a search without consent for knives or weapons, alcohol, illegal drugs, stolen items, tobacco and cigarette papers, fireworks, pornographic images or articles that have been or could be used to commit an offence or cause harm. [How to Searches Guidance](#)

13. Malicious Allegations

- 13.1. Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school/academy will discipline the pupil in accordance with this policy.
- 13.2. Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school/academy will discipline the pupil in accordance with this policy.
- 13.3. In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school/academy (in collaboration with the Local Authority Designated Officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.
- 13.4. The school/academy will also consider the pastoral needs of staff and pupils accused of misconduct. Please refer to our Safeguarding and Child Protection Policy, the Child-on-Child Abuse Policy and the Managing Allegations Against Staff Policy or more information on responding to allegations of abuse against staff or other pupils.

14. Monitoring and Review

This policy is reviewed annually by the Distinctiveness and Personal Development Committee. Any changes made to this policy by the Trust will be communicated to all members of staff. All members of staff are required to familiarise themselves with all processes and procedures outlined in this policy and the local procedures. The next scheduled review date for this policy is listed on the cover page of the policy.

Sanctions

Relates to item 4.3 in Trust Behaviour Policy

It is hoped that any low-level behaviour, when challenged, stops, as it is preventing others from succeeding and thriving; it disrupts learning and limits lesson delivery. Our expectations are clear: if there is a need to challenge behaviour, the pupil needs to modify their behaviour. Pupils may need support to do this, but should they not manage this, below is the overview of the escalation process.

The school has an escalation process, identified by the stages. This is in place to enable all pupils to be treated fairly and ensure that all learning is effective. Please appreciate that whilst this is a staged process, some behaviour issues may result in some 'stages' not being considered, depending on the nature of the incident. There may also be exacerbating and mitigating circumstances that need to be considered.

All lessons should start promptly, it is expected that all lessons will start on time. This is the formal start to the lessons and must be followed in all classrooms.

- Pupils should line up outside of the classroom and be greeted by the teacher.
- Pupils should sit in the seating plan drawn up by the teacher.
- Pupils must sit in silence while the register is taken.
- At the end of the lesson all pupils will pack away.
- When instructed by the teacher, all pupils will stand in silence behind their chairs and wait to be dismissed by the teacher.

Mobile Phones:

Should a mobile phone be brought onto the school site it must be switched off (not just on silent) and remain in the pupil's bag. There may be times in the school day when a member of staff allows the pupil to use their phone during a lesson to support learning e.g. to photograph a piece of work. This is under the direction of a member of staff and would be the only time when it would be acceptable to use the mobile.

Phones/electronic devices brought into school remain the sole responsibility of the pupil. If a mobile phone is seen or heard, then it will be confiscated and passed to Reception. For the first offence, the phone may be collected by the pupil at the end of the school day. For any further offences, a parent/carers will be contacted to arrange for them to collect the phone during school hours.

Isolation

Pupils can also be placed in isolation for the following:

- Missing 2 detentions
- Fighting
- Physical aggression towards others
- Bullying
- Racial or sexual harassment or use of homophobic language

- Grossly offensive language

Parents/carers will be informed before the sanction is put in place, by telephone and will be asked to come in for a meeting with their Year Leader.

Isolation will be run in the follow way:

- Coats/phones/belongings will be placed in the lockers provided.
- The pupils will not communicate with other pupils.
- Pupils will work in silence.
- Members of staff that teach the pupil, on that day will provide work for the pupil.
- Pupils will sit at allocated work desks.
- Pupils will have the opportunity to access food from the canteen, this will be brought to them.
- Pupils will be allowed 1 verbal warning per lesson.
- If the day is unsatisfactory, they will repeat their period of isolation.
- If the pupil has an unsatisfactory day or refuses to attend Isolation, this could result in a suspension.

Internal Exclusion

Pupils can also be placed in IE for the following:

- Missing 3 detentions
- Fighting
- Bullying
- Racial or sexual harassment
- Grossly offensive language
- Failing Isolation

Parents/careers will be informed before the sanction is put in place, by telephone and will be asked to come in for a meeting with a Year Leader.

IE will be run in the following way:

- Coats/phones/belongings will be placed in the lockers provided.
- The pupils will not communicate with other pupils.
- Pupils will work in silence.
- Members of staff that teach the pupil, on that day will provide work for the pupil.
- Pupils will sit at allocated work desks.
- Pupils will have the opportunity to access food from the canteen, this will be brought to them.
- Pupils will be allowed 1 verbal warning per lesson.

If there have been serious concerns regarding the pupil's behaviour in IE, a fixed term exclusion may be more appropriate.

Suspension

Fixed term exclusions will be used for pupils who have completed all of the other levels of sanctions and still continue to disrupt the learning of others.

Pupils who have been given a suspension must participate in a reintegration meeting. This will provide an opportunity to discuss what happened, why it happened and next steps, as well as providing the pupil with an opportunity to resolve the issue. The pupil will then return to the school as a fresh start.

It may be that a pupil, depending on the nature of the incident/behaviour displayed, may miss out on other sanctions and move straight to a suspension or permanent exclusion. These incidents may include:

- Threatening or intimidating behaviour towards staff

- Unprovoked serious assault on another pupil
- Possession of or being under the influence of illegal substances
- Possession of a weapon on school premises

The length of the suspension will depend on two factors:

1. The seriousness of the behaviour
2. The number of previous exclusions.

The Welfare Leaders, Year Leaders and the SLT link member dealing with the incident will carry out all investigations. A decision about how to proceed will then be taken. The decision to suspend is with the Headteacher/ Principal, or the member of staff to whom this role has been delegated.

Once this decision has been taken, parents/carers should be contacted as soon as possible. Confirmation in writing should be provided, outlining the details of the incident and the length of the suspension. Work must be provided for all suspensions of more than one day.

Classroom Management

Pupils will line up outside of the classroom at the start of the lesson, the teacher will then invite them in, ensuring coats have been taken off and that pupils sit in the correct seating plan.

Once seated pupils will prepare for lessons and start on the Do Now activity provided by the teacher.

At the end of the lesson, pupils will pack everything away, when instructed to do so by the teacher, the pupils will stand in silence behind their chairs and wait to be dismissed a row at a time

Pupil Support

Relates to item 6.2 in Trust Behaviour Policy

The Trust recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's/academy's Special Educational Needs Co-ordinator (SENCo) will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met. Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs. When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

Sexual Abuse and Discrimination
